

Joint Working Group of the Pontifical Academy of Sciences and the Pontifical Academy of Social Sciences on Globalization and Education

Joint Working Group 16-17 November 2005 –The Pontifical Academy of Sciences and the Pontifical Academy of Social Sciences are jointly sponsoring a workshop on ‘Globalization and Education’ which will take place November 16-17, 2005. The focus of the workshop will be to find an educational project for an increasingly globalized world, based on our current bioanthropologic knowledge of the human being within the context of the diversity and interdependence of cultures, the interculturality and universality of ethical values, the role of communication technologies and the new migration patterns.
