Prof. Dr. Justin Farrell
Professor

Justin Farrell is a professor and author at Yale University. His research focuses on cultural sociology and environmental politics. Mostly epistemologies and power. He blends ethnographic fieldwork with large-scale computational techniques from network science and machine learning. His scholarly work has been published by *Science*, *Princeton University Press, Proceedings of the National Academy of Sciences, Nature Climate Change*, the *American Sociological Review*, *Environmental Research Letters*, *Social Problems*, and funded by the Environmental Protection Agency and the National Science Foundation.

His books and articles have won national scholarly awards, and he regularly presents to policymakers, including the U.S. Senate, the United Nations, the Vatican, and in major media outlets such as the *New York Times, The Economist*, *New York Review of Books*, *LA Times*, *NPR*, *Washington Post*, HBO, and the *Financial Times*. Justin is a proud first-generation college grad and Wyoming native. He splits time between western Wyoming, Denver, and New Haven.

Academic Books

Farrell, Justin. 2020. *Billionaire Wilderness: The Ultra-Wealthy and the Remaking of the American West*. Princeton University Press.
